Ginger 16.2hh 9yrs allrounder

£ 6,750

Description

Ginger is a super straightforward allrounder that would suit anyone wanting to be safe and have fun! He is currently for sale on behalf of a client, this is a sad sale, through no fault of his own. Ginger is an easy ride, schools nicely on the flat and has competed in a fair few dressage tests, always with lovely comments about his paces. Ginger has a super jump and is very bold and brave, not bother by fillers and will jump off a miss stride. Jumping courses of around 90cm. He has done some amble rides, and hound exercises, he has also done some cross country training and is good to hack alone and in company. This sought after horse is the type that doesn't need riding everyday, and is easy to keep. Good to shoe, box, clip etc He has an old field injury on his front leg which does not affect him in any way. Hence low price.

Additional Category: Riding Club

Horse's name: Icons image

Age: 9 yrs

Height: 16.1 hands

Breed: Tb
