Description

Tom is a really fabulous young horse that oozes quality and talent. He is by Tyson a successful 1.60m International show jumper that has a progeny of international superstars both showjumping and eventing. His Dam is by Beach ball a stallion renowned for his scope and talent. Tom is a very well bred and well related horse that has some serious jumping potential. Tom has been out to a handful of training shows and has also done some British novice classes on a ticket. He has been produced slowly with his future in mind. He has been well behaved at a show, and has taken everything in his stride. He is now ready to affiliate and start a more serious career. On the flat Tom has 3 uphill paces, he is rhythmical and works in a good contact. He is snaffle mouthed and has not been 'over tacked'. He would produce a nice test, and has the right attitude to be a respectable event horse. Tom has a good quality jump with scope and courage. He is happy to jump off any stride and will sort himself out if you get it wrong. He has a good technique and is well balanced for his age. Tom is good to hack, has mostly hacked in company but will go alone. He has seen farm and village traffic. Good in open spaces. Tom is good to load, catch, shoe, clip etc. He is good to do on the ground. He has a really big character and a lovable playful nature. He is currently for sale on behalf of the owner through no fault of his own. For more pictures and videos please visit www.verdishorse.com
