

16.1hh 2011 ISH Mare

£ 7,500

Description

Coco is on an Irish sports horse passport and her breeding is not recorded. She is a very attractive mare that does turn heads. Nice natured, a very easy horse to deal with. Coco is a fun horse that is very versatile and would suit a rider wanting to do a number of activities. Coco works well on the flat, she has 3 well balanced paces, works in a neat outline and competed in a number of unaffiliated dressage events with respectable scores and lovely comments from the judges. Coco is a good jumping horse, she is comfortable at 90cm and does have scope to go on. She has jumped around 80 and 90cm courses with ease. She has also done a lot of pole work clinics and has been cross country training. She is a brave mare that enjoys the variety. In the past Coco has enjoyed leisure/sponsored rides. She hacks well alone and in company and has seen various forms of farm traffic. Coco is good to shoe, clip, catch, load travel etc. She is good to do on the ground and is very mannerly. She is a nice person in and out of the stable and always appreciates a treat. Coco loves her field time and would not suit a yard where they have to be stabled 24/7. She is happy to live out, and happy to be in her bedroom at night time. Coco recently passed a 5 stage vetting. No Vices Tack available at separate negotiation. Video - www.verdishorse.com

Additional Category: Riding Club

Horse's name: Coco

Age: 13 yrs 11 mths

Height: 16.1 hands

Breed: ISH
