15.2 2015 Gelding Super Cob!

£ 9,000

Description

Maximus is the ultimate cob with a job! He is a really smart cob that has excelled in everything he has done, he is not a kick along cob he is a push button ride that wants to have fun. Maximus has done a little bit of everything, in recent years he has thoroughly enjoyed a days hunting, pleasure rides, beach rides, a little cross country training and showjumping. He is currently jumping courses of 80/90cm, he'll jump off any stride and is happy to help you out if you get it wrong. He has done some cross country and he is brave and honest. Maximus has also competed in a handful of dressage tests, with respectable scores and positive comments from the judges. He works well in an outline and has a real positive attitude. He is an obedient, forward and responsive ride, that can take the judges by surprise! Maximus absolutely loves his hacking, he hacks well alone and in company, and he is good in farm/village traffic, there is no country he wouldn't cross, he is an old school 'Tally-Ho' type horse, looking for his next best friend who love's gallivanting around the countryside as much as he does. Good to shoe, catch and load, clip. Open to vet. No vices.
